ENCLAVE

ZERO CLEARANCE DIRECT VENT BAY PENINSULA
GAS FIREPLACE

 **marquis**
COLLECTION

CREATING A NEW DIMENSION

Its wraparound view captivates from every angle. Luring you in with its three-dimensional sightlines, the **ENCLAVE** from Marquis creates a sleek and cleverly designed gathering point for the heart of your home.

Amazingly versatile, this beguiling fireplace adapts to suit any room with options for a Single Side, Corner or a Bay Peninsula. It transforms completely with your choice of fireplace liner and accessories that range from driftwood logs and contemporary rocks to cannonballs and glass.

With the **ENCLAVE'S** innovative vented chase technology you may now cover the fireplace with combustible materials up to the glass door opening.

Follow the instructions in the manual for venting the chase (opening above and below the appliance is required).

Visit marquisfireplaces.net to see the latest evolution in fireplaces.

ENCLAVE FEATURES

STANDARD

- LED Accent Lighting (non-dimmable)
- Proflame II Models include Remote Control with the following features: flame adjustment, thermostat, smart thermostat (WIFI Compatibility*) and accent lighting control
- Zero Clearances to TVs and Artwork
- Invisible Glass Safety Barrier

BENEFITS OF OUR VENTED CHASE TECHNOLOGY

- No fans required to vent the chase, will work during power failures (batteries required)
- Allows for all wood framing
- Combustible materials may be used right up to the glass door opening
- Seamless glass, removes the need for steel safety screen barrier
- Allows for reduced mantel clearances
- Ultra-low TV clearances

* Amazon Alexa, Google Home, Smartphone
